Primary Authority (PA) is a legally recognised partnership between a local authority (LA) and a business. The LA provides the business with assured, trustworthy advice which other authorities must consider prior to any communication with the business. It is an opportunity for a business to receive tailored advice on their practices and procedures. We can offer PA to businesses on regulatory matters including trading standards, food hygiene & standards (including allergens and labelling), licensing and consumer rights. The exact content and scope of the partnership is agreed to suit the requirements of individual businesses and will be different for each partnership. Flexible payment options are available.
