

The Lewis household

1956

TIMEWATCH has been inundated with calls about this picture which appeared two weeks ago.

Aberystwyth Postcard Club member Anne Lucas came across the family photograph at home and wondered if readers could shed any light on the identity of the people in it.

I don't think she will be disappointed.

Thank you to everyone who called to say that the family shown are the Lewis household from Pontnewydd.

Among those who called was Gwynn Lewis, the only surviving member of the featured family of five.

Mr Lewis said it was "quite a shock" to see the picture in the paper.

Speaking to *Timewatch*, he said: "The picture in the paper this week is a picture of me. It was taken in 1945 when I was in about my early 20s. We lived at Erwbarre farm at the time and we made a special trip to Pickfords to have the photograph taken."

From left to right, the picture

shows Gwynn's father Llewellyn Lewis, Gwynn Lewis, twin brothers Hywel and Howard and mother Priscilla.

Speculating on how Anne Lucas came to be in possession of the picture, he said: "I know the Lucas family. We had a maid called Maggie Williams and I

think she might be a great-aunt of Anne Williams."

The 81-year-old said his parents and twin brothers had all died since.

Jane Jenkins was amongst others who called. Jane, of Aberystwyth, recognised her relatives straightaway.

Have you come across any mystery photographs? Send them to *Timewatch* and our readers could solve the problem.
