re: Public right of way across "Ship Car Park"
Llangrannog.

Dear Sir / Madam,

I have seen the map showing the route
and can confirm it is correct.

I have family ties in the area going back
generations but I can personally state that since
1940 I have had free access to the area many
times a day for various reasons. Never have
I had to ask permission or been stopped using
it. There have been no stiles, gates, notices
or barriers preventing free access.

I declare that to the best of my
knowledge the facts set out are full and true.
I have no connection with the land involved.

Yours faithfully.

Re: Public Right of Way across "Ship Car Park"
Langranog.

To whom it may concern.

I have been connected to Langranog by family ties over many years.

Concerning the area in question I & my family have walked across it always assuming that it was public ground.

I have never seen any gates walls or fences on it since 1929 & have never had to ask permission from anyone & never been asked to walk elsewhere since that date. There has never been any change to the access.

I have seen the map of the area in question & agree with it

I declare to the best of my knowledge that the facts set out are full & true.

I have no connection with the land involved

Yours faithfully
