On behalf of the organisation named above, we are requesting access to the resources in the Efc Digital Hub tool in order to enhance the support provided for employees with caring roles. We understand that access is being provided free of charge under the membership of the West Wales Carers Development Group.

We agree to commit to participating in occasional regional Efc learning events to share experiences and good practice.

We will provide feedback on the resources that have been used to inform an evaluation of the benefits of continuing with the membership of Efc in future financial years.
