(4.00pm – 4.40pm)

1. Apologies

Peter Leggett, Head Teacher: Ysgol Gynradd Rhydypennau apologised for joining the meeting late.

2. Disclosure of personal interest

There were no disclosures of personal interests.

3. To confirm the Minutes of the Meeting held on 5 December 2024

It was **RESOLVED** to confirm the minutes of the meeting held on 5 December 2024 as a correct record.

4. Matters arising from the Minutes

None.

5. Admissions Policy 2026-2027

Consideration was given to the latest version of the policy due to be presented to the Cabinet on 3 June 2025.

Councillor Bryan Davies noted that a letter in his name had been sent to Welsh Government on home education and the need for Officers to be allowed access to households.

The School Admission Officer explained that Officers did not have many rights to access households at present, but hopefully, this would change in the future.

Following a question by Councillor Bryan Davies related to Llanarth Primary School's capacity once local housing developments had been completed, the School Admission Officer noted it was difficult to foresee the number of young families moving to any new housing development, but the situation would be monitored accordingly.

In response to concerns raised by Dorian Pugh, Head Teacher: Ysgol Henry Richard related to the school not being recognised as one school in terms of capacity as it was categorised as primary and secondary, the School Admissions Officer clarified WG had not published guidelines for 3-16 schools.

The Corporate Manager: Accountability and Progress explained that he planned to visit Ysgol Henry Richard following the half-term break, to undertake a review of the use of rooms in the school and to update the capacity calculations if required.

It was **AGREED** to note the information.

6. Year 7 Numbers - September 2025

The School Admission Officer explained that data for September 2025 had been circulated for information. Five pupils were yet to apply for a space, but it was known which schools they would attend. Other than this, there was not much change anticipated.

It was **AGREED** to note the information.

7. Reception Year Numbers – September 2025 & 2026

The School Admission Officer reported that there had not been many issues with the admission of reception-aged pupils for 2025 and numbers were nearly final. The admission for 2026 was also in progress. Generally, most schools were under their admission number. In instances where the number exceeded this, consideration would be given to the school's overall pupil numbers along with a discussion with the Head Teacher on whether they would be happy to accept additional pupils.

The Corporate Manager: Accountability and Progress noted that Ceredigion's admissions deadline closed before Carmarthenshire and Pembrokeshire. From the service's understanding, around 150 nursery-aged children were yet to apply for reception for 2026. It was noted that many parents/ guardians were confused with the process and thought having a place in nursery automatically led to a place in reception, however, this was not the case. He added that Penparc Primary School's capacity had decreased due to the way the school used the site. The next 2 years were large, however, there was capacity and potential to utilize larger classrooms.

In response to the Chair's suggestion that more pupils were moving to year 7 than the number starting in reception, the Corporate Manager: Accountability and Progress clarified that this was correct. He explained that the birth rate had decreased, therefore it was key to monitor the situation to ensure any changes could be included in future projections.

It was **AGREED** to note the information.

8. Mid-Year Admission Appeals 2025-2026

The School Admission Officer reported that there had been no mid-year Admission Appeals to date since the meeting held in December 2024.

Enid Brophy, Head Teacher: Ysgol Gynradd Gatholig Padarn Sant explained there was possibly an appeal on the way with Padarn Sant.

It was **AGREED** to note the information.

9. Capacity Update

The Corporate Manager: Accountability and Progress stated this was a new item on the agenda. An overview of the local authority's schools' capacity was provided. Several factors accounted for the changes in capacity such as room usage and expansion.

School capacity should be reviewed annually, but due to a small team, this was not possible and schools that were over-capacity or had changed the way the site was used were being reviewed first. When determining the capacity, the local authority had to follow a statutory document by Welsh Government. Any change in capacity would be discussed with the Head Teachers and there was an appeals process in place should a school's governing body not agree with the capacity set. As mentioned previously, he planned to visit Ysgol Henry Richard following the half-term break.

In response to a question by Peter Leggett: Head Teacher, Ysgol Gynradd Rhydypennau it was noted that the capacity for reception and nursery were separate. He queried what would happen if the school had met their admission number before the Easter intake.

The School Admission Officer stated if parents/ guardians applied by the deadline, it was fair for all and any issues could be addressed. It was acknowledged that some parents/ guardians only remembered a few weeks before their child was due to start at reception. There were challenges at times with schools' capacity as the local authority's schools had three intakes a year, as opposed to one intake as was the case in many of the other local authorities.

The Corporate Manager: Accountability and Progress added that Ceredigion had agreed to three intakes to support families due to the lack of childcare and nursery provision. He stated it would be a simpler process for families and Officers if there was only one intake in place, but the advantages of having the pupils start school earlier would be lost.

Peter Leggett: Head Teacher, Ysgol Gynradd Rhydypennau stated it was worthwhile for pupils to start earlier as it allowed them to familiarise themselves with the school.

Enid Brophy, Head Teacher: Ysgol Gynradd Gatholig Padarn Sant suggested different colour forms for nursery and reception applications.

The School Admission Officer explained that parents/ guardians were required to complete separate forms to apply for nursery and reception, however, when applying for nursery, there was a section at the end of the form that asked whether a reception application was required the following year. Generally, this process worked well and prevented duplication for parents/ guardians, but for it to work, a nursery application had to be completed first.

Peter Leggett: Head Teacher, Ysgol Gynradd Rhydypennau stated this process worked well as parents/ guardians would often forget to apply for reception.

10. Any Other Business

The Chair and the Corporate Lead Officer: Schools, Lifelong Learning thanked all for their attendance.

The Corporate Manager: Accountability and Progress explained that the local authority was due to send data on pupil projections to Welsh Government in September/October. He mentioned that the plan is for each school to receive a report specific to their school which could be shared with the school's governing body in order to be more transparent about pupil projections in future. Historically, the pupil projections model had been around 98-99% accurate at county level.

11. Date of next meeting

ADMISSION

The School Standards and Framework Act 1998 assigns functions to Admission Authorities, Appeal Panels and Admission Forums in relation to the admission of pupils to school.

For all maintained and Voluntary Controlled schools in Ceredigion the Ceredigion Local Authority (LA) is the Admission Authority

For Voluntary Aided schools (VA School) the Governing Body acts as an admission authority. A VA School is a state-funded school in which a foundation or trust (usually a religious organisation) contributes to building costs and has a substantial influence in the running of the school.

Each of these bodies has a statutory duty to “act” in accordance with the School Admissions Code and the Schools Admission Appeals Code.

ADMISSION AUTHORITIES

For Community and Voluntary Controlled Schools

All schools in Ceredigion (with the exception of St. Padarn Roman Catholic Primary School) fall into this category and admissions are controlled by Ceredigion LA and not the Schools or their Governing Bodies. In such cases all applications should be made to the LA and not the School as the LA is the only body that can offer school places.

The contact details for the Admission Authority are as follows:

Admissions Team

Schools Service
Canolfan Rheidol
Rhodfa Padarn
Llanbadarn Fawr
Aberystwyth
Ceredigion
SY23 3UE

Applications should be made using the on-line admission form, accessed via the Ceredigion web-site (www.ceredigion.gov.uk).

For Voluntary Aided Schools

St Padarn Roman Catholic Primary School is the only such school in Ceredigion. Admission and all applications should be made to their Governing Body. Although, any on-line applications received by the LA will be passed to the school. Address details for the school is as follows:

St Padarn Roman Catholic Primary School

Llanbadarn Road
Aberystwyth
Ceredigion
SY23 1EZ

USEFUL INFORMATION

Admission Forum

The Ceredigion Admission Forum meets twice a year to discuss local admission issues. Headteachers, Governors, Parents and Diocesan Authorities are represented.

Minutes of the meetings are available on the Ceredigion web-site.

Parents above and throughout this document should be read to mean not just parents but all person(s) with a legally defined parental responsibility for a child.

Transport

The LA provides free school transport for children of statutory school age (term after their 5th birthday) on the following basis:

- Primary age pupils who live over two miles from the nearest suitable primary school;
- Secondary age pupils who live over three miles from the nearest suitable secondary school.

Distance is measured by the shortest walking route between home and school. From the nearest council maintained road to the property to the main school entrance.

Further information is available from the Transport Unit (01545 570881).

Elective Home Education

Parents may also choose to educate their children at home. This is known as Elective Home Education. The decision to home educate requires careful thought, as it represents a considerable undertaking in terms of commitment, time and cost.

Parents considering this option are advised to contact the LA, and seek guidance from the Elective Home Education Officer on 01970 633624.

1. AGE CHILDREN CAN START SCHOOL

1.1 Nursery Age Children – 3 Year Olds

Age	Date by which the appropriate age must be reached	Term of Admission
3	31 December 2025 31 March 2026 31 August 2026	Spring 2026 Summer 2026 Autumn 2026

Being a pupil in a Nursery Class does not make a child eligible for admission to the Reception Class. Parents/Guardians will need to make a separate application.

1.2 Primary Age Children – 4 Year Olds

Age	Date by which the appropriate age must be reached	Term of Admission
4	31 December 2025 31 March 2026 31 August 2026	Spring 2026 Summer 2026 Autumn 2026

Legislation does not require a child to start school until the term after their fifth birthday and the parent may defer entry until that age. However, applications for deferred entry must be submitted by the same closing date (see section 2 for closing date details) as non-deferred applications.

1.3 Secondary Age Children – 11 Year Olds

Age	Date by which the appropriate age must be reached	Term of Admission
11	31 August 2026	Autumn 2026

Parents of year 6 pupils are invited to express their preference for a Secondary School during the Autumn Term of the year prior to the transfer.

Year 6 pupils attending a Middle School and who intend to remain at that school will not have to apply to the Secondary phase.

See Appendix A for names of Ceredigion Schools and the type of provision they provide i.e. whether Nursery, Primary or Secondary.

3. ADMISSION PROCESS

3.1 PARENTAL PREFERENCE

While most parents send their child to the nearest school they have a right to state a preference for any Ceredigion school.

Changes to school preferences can be made at any time up to the closing date (see Admission Table in section 2) – parents will need to do this in writing (to the Admission Team) and also submit a new application.

Any change to school preference after the closing date will be treated as a late application.

Three school choices (in order of preference) may be made. If the LA is unable to offer a place at the first choice then the second choice will be considered and so on.

3.2 SCHOOL SELECTION

Whichever school parents decide on, it is recommended that they contact, discuss and visit their school(s) of choice so that they are aware of the facilities and opportunities they are able to offer.

3.3 APPLYING FOR A SCHOOL PLACE

All applications will need to be completed and submitted by the closing date as set out in the Admission Timetable in Section 2. After the closing date, all applications received by that date will be considered. Applications received after that date will be deemed to be late (unless there are exceptional reasons) and only considered after those received by the closing date.

An exceptional reason would be any situation that prevented the family from applying on time. In these cases the family should include supporting documents with the applications.

e.g. where a family moved into the LA between the closing date and the offer date then evidence of the change of address would be required.

3.4 ALLOCATING PLACES

The LA will admit children up to the **admission number (AN)** of the preferred school. Although, where the final place allocated (up to the admission number) is one of a multiple birth then the LA will also admit the other sibling(s).

The admission number (AN) specifies the number of pupils who can be admitted to each year group in the school.

The AN for each school is given in Appendix A: School Admission and Capacity Numbers.

The number is calculated using the Welsh Government formula - 'Measuring the capacity of schools in Wales'. This document is available on the Welsh Government website at www.wales.gov.uk.

3.5 OVER-SUBSCRIPTION CRITERIA

In cases where the number of applications exceeds the AN then allocation of school places will be allocated as per the following oversubscription criteria (listed in priority order):

- looked after children and previously looked after children (because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after). Evidence of a previously looked after child will be required;
- the school for which a preference has been expressed is the nearest suitable school and the child has a **sibling** attending the school at the time of admission;
- the school for which a preference has been expressed is the nearest suitable school;
- children for whom the school is not the nearest suitable school but will have a sibling attending the school at the time of admission.

Siblings are defined as: pupils with full, half or step brothers or sisters, or adoptive or foster children, who are attending the preferred school, and are living in the same household at the time of admission.

Where more than one child meets these criteria and applicants still remain then the child living nearest to the school will be admitted. All distances will be measured by the shortest walking distance (using Google Maps) between the main school gate and the point where the child's home meets the public highway.

3.6 HOME ADDRESS

A pupil's home address is a residential property that is the child's only or main residence. Either:

- owned by the parent(s) or the person with a defined legal parental responsibility for the child; or
- is leased to or rented by the child's parent(s) or the person with parental responsibility under a written rental agreement.

Where there is a shared parental responsibility for a child, and that child lives with both parents or person with a legal parental responsibility, for part of the week, then the main residence will be determined as the address where the child lives for the majority of the school week (i.e. 3 out of 5 days).

The LA reserves the right to request proof of address at any time during the admission process.

3.7 MOVING ADDRESS

Where a family is moving and parents apply for admission to a school based on their new address the LA may take steps to verify the arrangements. The LA will accept either:

- a solicitors letter stating that the contract has been exchanged and specifying a completion date;
- a signed and dated tenancy agreement.

If proof of the new address cannot be given then the application will be based on the current address.

3.8 FAMILIES OF UK SERVICE PERSONNEL AND OTHER CROWN SERVANTS (including DIPLOMATS)

Above families are subject to frequent movement within the UK and from abroad, often at relatively short notice. As a result, applications for school places for the approaching school year will be considered if accompanied by an official Ministry of Defence or Foreign and Commonwealth Office letter declaring a return date. School places will then be allocated if the applicant would meet the criteria when they move to their new destination.

Unit postal addresses for applications from service personnel will also be accepted, in the absence of a new postal address.

3.9 EXCLUDED PUPILS

If a pupil has already been permanently excluded from two or more schools then, while a parent may express a preference for a school at which they wish their child to be educated, the LA does not have to comply with their preference for a period of two years from the date of their latest exclusion.

4. OFFERING A SCHOOL PLACE (NOTIFICATION OF AN OFFER)

Parents will be sent an e-mail which will confirm, or not, that a place is available at the school and offering them the opportunity of accepting the place.

Decision emails in respect of **Secondary School** applications will be sent on the **2nd March 2026** and for **Primary School** applications on the **16th April 2025**.

All offers will need to be accepted. The e-mail sent to you will contain a link that will allow you to do that.

If the offer is not accepted then the place may be withdrawn and the place offered to another pupil.

4.1 MULTI-SITE SCHOOL

Offers to a School, operating on more than one site will be to the School and not to a particular site.

The site that children attend is a matter for the internal organisation of the school. Appeals cannot be made against the site allocated.

4.2 YEAR GROUPS

Pupils will be admitted into the year group appropriate to their chronologic age. This follows Ceredigion's Special Educational Needs Policy (<http://www.ceredigion.gov.uk/resident/schools-education/special-educational-needs-sen/>) and Ceredigion's Additional Learning Needs Principles and Expectations Document (<https://www.ceredigion.gov.uk/resident/schools-education/additional-learning-needs/>), which states that a school may well find it appropriate to offer some pupils specific lessons, for a limited time, in lower or higher teaching groups as part of normal mainstream differentiation, but pupils should not be placed in higher or lower chronological aged registration groups on a permanent basis.

There is no right of appeal if a place has been offered but not in the desired year group.

4.3 STARTING SCHOOL.

Unless there are exceptional reasons, a child will be expected to start school on the date as specified in the offer. Delays in starting will need to be discussed with the School as it will not be possible to hold the place indefinitely. Decisions on how long the place will be held will be made on a case by case basis and in consultation with all the parties concerned. However, it is not anticipated that a place will be held for longer than 6 weeks.

4.4 WITHDRAWING THE OFFER OF A PLACE

The offer of a school place will be withdrawn on the basis that:

- It is subsequently discovered that a fraudulent or intentionally misleading application was made (such a false address nearer to the School).
- An acceptance of the place is not returned to the LA by the date stated in the offer.

5. UNSUCCESSFUL APPLICATIONS

If parents are unsuccessful in obtaining a place for their child then they will be notified of the reason(s) why a place was not secured and of their right of an independent appeal.

5.1 APPEALS

Letters requesting an appeal will need to be sent by the parents to the Corporate Lead Officer: Schools within 10 days of the date of notification that an application for a place was unsuccessful.

Arrangements for the appeals panel to meet are made through the Legal Services department of Ceredigion County Council.

There is no right of appeal against non-statutory nursery provision.

Refusals are not lightly made decisions and will only be taken where the admission number has been reached and/or where an infant class (i.e. reception year, year 1 and year 2) will breach the 30 mark. The Welsh Government Regulations require Authorities to limit infant class sizes to no more than 30 pupils. Admitting further would create class size prejudice, that is to say, prejudice to efficient education or efficient use of resources. Infant class size prejudice would not be found in cases where the school admission number had not been reached.

There is however exceptions to these regulations (called “excepted pupils”) which may allow the 30 pupil class limit to be exceeded. A full list of these ‘excepted pupils’ can be found in Appendix B.

5.2 WAITING LISTS

Any child not offered a place at their first choice of school will be kept on a waiting list until the 30th of September of the relevant academic year.

Should places become available then they will be awarded in accordance of the over-subscription criteria rather than the amount of time since the applications was submitted.

6. APPLYING OUTSIDE THE NORMAL ADMISSION ROUND

6.1 MOVING INTO THE AREA

Parents planning to move into the area should apply no earlier than a term in advance of their children's anticipated start date.

E.g. if a place is required in the spring term then the application should be submitted no earlier than the start of the preceding autumn term.

Applications received more than a term in advance will be held until the appropriate time.

Delays in moving into the area may result in offers being withdrawn.

6.2 SCHOOL TRANSFERS DURING THE YEAR

Changing schools requires serious consideration and should be fully discussed with the Headteacher of your child's present school in the first instance.

Should parents still need to transfer their child from one school to another then they must apply through submitting an application.

6.3 SIXTH FORM PLACES

All Ceredigion Secondary and Middle Schools are responsible for their 6th form admissions and all applications should be made direct to the school of your choice.

APPENDIX B - EXCEPTIONS TO THE INFANT CLASS SIZE INITIATIVE

- Children, whose statements of SEN specify that they should be educated at the school concerned, and who were admitted to the school outside a normal admission round.
- Children who are looked after by local authorities (looked after children), or who have ceased to be looked after (previously looked after children) as a result of being adopted or being placed with a family or given a special guardian and are admitted to the school outside a normal admissions round.
- Children initially refused admission to a school, but subsequently offered a place outside a normal admission round by direction of an admission appeal panel, or because the person responsible for making the original decision recognises that an error was made in implementing the school's admission arrangements.
- Children admitted outside the normal admission round who:
 - the maintaining local authority confirmed cannot gain a place at any other suitable school within a reasonable distance of their home because they have moved into the area outside a normal admission round, or
 - desire a religious education, or a Welsh speaking education and the school in question is the only suitable school within a reasonable distance.
- Children who were admitted to the school outside the normal admission round after which the school has arranged its classes, and after the first day of the school year, the effect of which would mean that the school would have to take a relevant measure if such children were not excepted pupils.
- Children of armed forces personnel who are admitted outside the normal admission round.
- Children whose twin or other sibling from a multiple birth are admitted as non-excepted pupils, as the final pupil(s) allocated a place before the admission number is reached.
- Children who are registered pupils at special schools, but who receive part of their education at a mainstream school.
- Children with SEN who are normally educated in a special unit in a mainstream school, who receive part of their lessons in a non-special class.

Excepted pupils will remain so, once admitted, for the remainder of their time in an infant class or until class numbers fall back and they can be organised to comply with the infant class size limit. For example, because a non-excepted child leaves the class, an additional infant class is created, or an additional teacher is appointed, then that child ceases to be an excepted pupil. Classes must be organised so as to comply with the limit wherever possible.
